VIRTUAL GENEALOGY GENEALOGY ROAD TRIP

Tuesday, June 28 | 7pm on ZOOM

Join local genealogist on ZOOM as she will help you with your genealogical searches. Making a trip to your ancestral roots? What you should know before you go. Research places, facilities online and via phone. Prepare for cemetery visits. Make your list and check it twice! Social media (Facebook) is your friend—the benefits of personal contacts before your trip.

Once registered, a **FREE** Zoom link will be sent to your email address. PDF files for the class are or will be attached to the class description on erielibrary.org. You do not need to re-register to receive those files. Just click on the attachment. Look for those in the weeks before the class.
