DIY CERAMIC TRIVET

Wednesday, November 9th, 1:30-3PM Lincoln Community Center Library

Join use to make a personalize trivet. A trivet is an object placed between a hot serving dish/bowl/pan and a dining table/counter top to protect the surface from heat damage. Use a ceramic tile, engraved by the Idea Lab's Glowforge, and some sharpies to make a trivet to take home. Registration required.
