

IROQUOIS

TAMARACK WILDLIFE VISITS THE LIBRARY!

Friday, June 30th at 1:00p

Iroquois Library

Registration is Recommended. Seating is first come, first served.

How do birds and other wildlife find their voice? Join us as we welcome the amazing educators from Tamarack Wildlife Center to learn more about our local wildlife and “meet” some of their ambassador birds of prey!

Please note: due to the wild nature of these animals, this will be a “look, but don’t touch” experience. ***Tamarack specializes in the rescue, treatment, and release of injured, orphaned, and sick wildlife.***

Sponsored by the Friends of the Erie County Library.
