

BLASCO WORM RACES

Bring the fastest earthworm in your backyard to the library's sixth annual Worm Races! Children are invited to race a worm on one of our special tracks. Worms will compete until we have a victor, and the owners of the three fastest worms will receive a small prize.

The library will provide some worms, but not enough for every racer. Try to BYOW (bring your own worm) in a small container of dirt. After the race, worms will enjoy a well-deserved retirement in the library's staff garden!

Get wormed up, of course!
