READING ALL AGES **READ TO A THERAPY DOG**

1st Tuesday of Each Month | 5:00–6:00 PM

3rd Tuesday of Each Month | 3:30–4:30 PM

Edinboro Branch Community Room

All are welcome to come and read to a therapy dog! Join Willie Nelson (1st Tuesday) or Skye (3rd Tuesday) and practice your reading skills. Therapy dogs are gentle, non-intimidating listeners who are always happy to hear a story (or 10!) from readers of all skill levels. Reading aloud to a dog has proven to be a useful means of encouragement for reluctant readers.

This program is free and open to all members of the public.
