Join local ISA Certified Arborist and Plant Healthcare Professional, Mark Spitulski, for this presentation on the "What, Where, Why, and How" of planting native trees in the residential and commercial landscape. Tree-planting beginners and experienced landscapers alike will find value in the information presented, which will include:

- Native Trees: Benefits and Tips
- Soil and Site Considerations
- Suggested Species for Common Landscapes
- Ten-Step Tree Planting Guide
- New Tree After Care
