TEEN READING LOUNGE

Learn about your world through stories! Teen Reading Lounge is an interactive book club that puts you in the lead. You will pick the books and choose a community project that is important to you. There are fun activities, new friends, and interesting conversations. You even get to keep the books!

This session starts with Foreshadow: Stories to Celebrate the Magic of Reading and Writing YA, a collection of short stories that highlight underrepresented voices.

Space is limited and registration is required. Free for teens age 13-18 years old. Register at <https://events.erielibrary.org>.
